

REV Wildcat Athletics Update-- 6/3/20

Wildcat Parents and Student-Athletes-

The COVID-19 pandemic and quarantine experience have left high school athletic programs at a standstill until our School Districts deem it is safe to participate once again. When will we know? That has yet to be determined.

Here is what you should know in the meantime-

- 1- Please continually check the REV school website for updates as more information comes our way. Please become familiar with our school website and items under the ATHLETICS tab. This is where we will post updates.
- 2- Please complete a physical exam and the on-line Athletic Clearance process (see Athletics tab at REV website for directions) so that your student is ready to participate as soon as we receive information that it is safe to do so. Students may NOT tryout or participate until cleared through the clearance process and are academically eligible to do so.
- 3- REV has declared our mandatory CIF Dead Period June 5 through June 18th. This is a perfect time for you to take a family vacation. Nothing can or will take place during the Dead Period.
- 4- Despite rumors you may have heard, the CIF-SS is very committed to 3 seasons of sport- fall, winter, spring in 20-21, including playoffs. The question is- what month might the fall season begin? This will dictate the winter and spring seasons.
- 5- Our Coaches and REV school community miss our students very much. We are committed to offering our outstanding experience in Education Based Athletics as soon as we are able to do so safely. We are excited that you want to be a part of it!

PLEASE feel free to email our coaching staffs and let them know your student's intent to participate in their programs. *emails are also listed under the ATHLETICS tab for Coaching Staff at the REV website.

Fall Sports-

Football: Richard Lunsford richard_lunsford@redlands.k12.ca.us
