2020-2021

There are two parking lots available for students to use at REVHS. One is located in front of the gym with entrance off of Colton Avenue. The second is in front of the theater building with entrance off of King Street. When parking in these lots do not park beside red “No Parking” curbs, in front of fire hydrants, or in handicapped spaces unless you have a special permit. Also do not park in a parking spot that has been custom painted. These spots have been purchase by a senior and grants them their own reserved spot for the entire school year. Failure to adhere to these directives could result in a parking citation. Further, students are not to park in the two reserved faculty/staff parking lots located in the front of the school campus or in the visitor’s parking spots. Students who park in non-student areas on campus will be subject to having their vehicles ticketed or towed at personal expense.

Student parking ID tags are available starting August 2020 from the Finance Office. All student parking tags issued during the 2019-2020 school year can continue to be used during the entire high school driving years as long as the holder of the tag issued is still an REVHS student and the vehicle registration has not changed. All tags issued to graduates are null and void. Parking tags cannot be transferred from one student to another under any circumstances. Vehicles parked in REVHS student lots without REVHS parking tags will be subject to towing at owner’s personal expense beginning October 1, 2020. Please see the parking liability disclaimers and information required for vehicle registration on the backside of this flyer. If you cannot provide the information required to obtain a REVHS student parking ID tag, you may not park in any lot.

The following is the information you will need when applying for a parking permit. All students parking on campus must have a REVHS Parking Tag. **Parking tags are \$5.00 and sold at the Finance Office.**
