Chain Links Quote of the Week:

"I'm just thankful for everything, all the blessings and even the challenges in my life; I'm trying to stay that way. I think that's the best way to start your day and finish your day; I find that when I'm focused on being thankful, I'm not focused on me. It keeps everything in perspective, keeps me humble, and forces me to see beyond myself.

Tim Tebow; Professional Football and Baseball Player, Football Commentator
