

Redlands Unified School District

August 31, 2020

Dear Redlands Unified School District Families:

We have some exciting news to share with all RUSD families! All school meals will now be provided at NO-COST to ALL RUSD students for the 2020-2021 school year, regardless of family income.

As a result, we need your help completing the Educational Benefit Survey by September 14th. Completing this survey, helps ensure RUSD receives the necessary resources to continue to provide all students with the highest quality of education and receive funding for instructional materials such as computers, books, school supplies, and more.

Please take the time to complete this very brief survey here: <https://rusdnutrition.org/?page=CEP>.

Additionally, in order to alleviate some of the congestion families are experiencing during Grab & Go Meal distribution, CNS will now include another location -- Redlands High School, starting September 1st. Grab & Go Meals will continue to be distributed on Tuesdays from 6:00 - 8:00 a.m. at the following school sites:

- Mission Elementary School
- Beattie Middle School
- Clement Middle School
- Cope Middle School
- Redlands East Valley High School
- Redlands High School
