Administrative Regulation

Independent Study Physical Education

AR 6158.11

Instruction

Students currently enrolled in the district must submit completed applications no later than one month prior to the beginning of the semester which the Independent Study Physical Education Program will begin.

Students new to the district who wish to enroll in the Independent Study Physical Education Program must submit application within thirty (30) days after the first day of attendance.

Entry into the program will be contingent upon the ability of the school to make the necessary program adjustments.

Individual Plan

An individual plan for Independent Study Physical Education shall be completed by either the student or parent/guardian. Individual Plan will include a statement of reason(s) for requesting the Independent Study Program, statement of student's long range goal(s), statement of intermediate goal(s), timeline for achievement of goals and completion of contract, list of daily activities by which the student will achieve his/her goals, and a signed hold harmless agreement.

The Individual Plan shall be submitted to the school principal who, in turn, will submit it to the Director of Secondary Education (district level) for approval or denial. The Director shall communicate information regarding acceptance or denial to the applicant and school of involvement. The student's class schedule shall be adjusted appropriately.

Contract

Students entering into a contract for this program must reside within the boundaries of the district or have completed and had approved a request for an inter-district agreement. Maximum length of the contract is for one (1) school year; but may be renewed yearly by re-application. All conditions of the contract must be completed before credit for the program may be issued. Failure to meet the conditions of the contract shall result in a drop from the program and a loss of credit for the semester in progress.

The contract requesting the opportunity for a student to participate in a physical activity in lieu of participation in a regular physical education class or program shall be signed by student, parent or guardian, coach/instructor or trained specialist and forwarded to the school principal for his/her signature and information. The application shall then be submitted to the Director of Secondary Education for approval or denial. The Director of Secondary Education shall

communicate information regarding acceptance or denial to the applicant and the school site.

Daily Log of Activities

The daily log of activities shall be maintained by the student, shall accurately reflect the student's daily activities and daily attendance record and shall be reviewed for accuracy and authenticity by the coach or instructor approved on the contract. The log shall be submitted to the Director of Secondary Education at the end of each quarter. Failure to complete and submit the log may result in a forfeiture of the privilege of the program. A copy of log sheets submitted should be retained by the coach/instructor and parent/student.

Attendance

A student's school attendance shall not be affected by the independent study program and (a student) shall have daily attendance unless excused for reasons accepted by the school for excused absences. Students in grades 7-12 shall be assigned five (5) regular classes plus one (1) Independent Study Class. The arrangements for the use of time during the Independent Study P.E. period will be the responsibility of the principal/designee. Student's daily attendance in the program shall be verified by the coach/instructor's signature on the daily log.

Daily Activities

Students on the Independent Study P.E. Program shall submit statements outlining the daily activities by which he/she will achieve the long range and intermediate goals. These goals shall be reflected in the student's daily log, a part of the student's individual plan. Students shall spend a minimum of eighteen (18) weeks per semester, a total of 180 hours, in daily physical activities related to the program (a minimum of ten (10) hours per week).

Qualifications of Coach/Instructor or Trained Specialist

The coach/instructor or trained specialist of a program considered for approval shall submit to the Coordinator of Secondary Education a resume of qualifications which shall include but not be limited to:

- * Name, title, address, telephone number
- * Name of organization representative, telephone number
- * Professional preparation in program to be considered
- * Previous similar positions held
- * Professional organizations or affiliations
- * Pertinent additional information

Evaluation. Grades. Credit

Students shall be evaluated each grading period by the coach/instructor and the Director of Secondary Education, and will be assigned credit based upon the items enumerated in the Participant Evaluation Form and the Daily Activities Log.

Students in grades 7-8 who successfully meet the requirements of the program will be given physical education credit. A limit of twenty (20) units of graduation credit may be earned in this program in the four years of high school.
