How to obtain services

To obtain covered services, call a Participating Provider to schedule an initial examination. If additional services are required, verification that the Services are Medically Necessary may be required. Your Participating Provider will request any medical necessity determinations. An ASH Plans clinician in the same or similar specialty as the provider of Services under review will decide whether the Services are or were Medically Necessary Services. ASH Plans will disclose to you, upon request, the process that it uses to authorize, modify, delay, or deny a request for authorization. If you have questions or concerns, please contact the ASH Plans Customer Service Department.

Second Opinions

You may request a second opinion in regard to covered Services by contacting another Participating Provider. A Participating Provider may also request a second opinion in regard to covered Services by referring you to another Participating Provider in the same or similar specialty.

Your Costs

When you receive covered Services, you must pay your Cost Share amount as described in the *Chiropractic Services Amendment* of your Health Plan *Evidence of Coverage*. The Cost Share does not apply toward the Plan Out-of-Pocket Maximum described in the Health Plan *Evidence of Coverage*.
